MAY 2008

On behalf of the Bequests and Living Trusts' Chairman, Vice Chairmen, District Chairpersons and Lodge Chairpersons, we would like to thank all the California Hawaii Elks Association members that attended the Elks State Convention in San Diego and hope you stopped at the BLT booth. The BLT and Major Projects, working together to help the children with disabilities, need your help in making sure we can keep the Major Projects moving forward. The Exalted Ruler's March at convention is always a tribute to the lodges in the California Hawaii Association for their generous contributions. The therapists work very hard to help many children with disabilities and those children are very appreciative of the generosity and hard work of the Elks. The BLT and Major Projects are always working hard and coming up with new ideas to help the children with disabilities. Thanks to all of you for caring.

We continually update our web site www.chea-elks.org (click on Bequests/Living Trusts) so you can better understand the BLT programs.
