## Bequests and Living Trusts Committee Bulletin/Magazine Article

**JUNE 2008**

On behalf of, myself, Ron Berglund, BLT Chairman; Vern Campion, BLT Vice Chairman South and Dennis Shaffer, BLT Vice Chairman North, we would like to thank all the Lodge BLT Chairpersons and the District BLT Chairpersons for all their hard work in 2007-2008. It has been a very good year. The BLT Management Team will expect the new BLT officers for 2008-2009 to do an even better job!

The BLT web site ([www.chea-elks.org](http://www.chea-elks.org) - then click on Bequests/Living Trusts) was started so all the members in the California-Hawaii Elks Association would have a better understanding of the BLT programs. The BLT Team would like you to go to our web site, download any information you need to better understand what the BLT program is about and we need your input about the information on the web site. Does it answer your questions? Do you have a better idea on how we can promote the BLT on our web site? With your help as an Elk, we can make changes so that everyone going to our web site has a clear understanding of what the BLT program is all about and how to join the various programs.

The Major Projects had a successful year and we hope it will be better in 2008-2009. The children with disabilities appreciate what the Elks Major Projects and Bequests and Living Trust are doing for their benefit. The Major Projects is a worthy charity and the Bequests and Living Trust is its back up. The BLT is in place to make sure that when funding is low, Major Projects can draw on the BLT account to further help the children with disabilities. The Elks throughout our nation know that the children are our future. We must keep them healthy, intelligent and hard working, free from drugs and able to understand what it means to be an American. This is every Elk's goal so that we can further our organization.

Please visit the BLT web site and join the BLT family. Thank you for caring.
