Mid-Term will give you a change to visit all the Elks booths displaying Elks programs. The BLT would like you to especially visit our booth. The future of the BLT is up to all Elks and we would like to build the future for the Major Project. Let's also work hard to help our lodges raise over three million dollars for the Exalted Ruler's March in San Diego in May. The children with disabilities need our love and caring to help them be good adults and possibly future Elks. Take the time to learn what you can about the BLT. We have several programs that will fit your lifestyle.

Thank you for caring!
