

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Gina (Gina Murphy, Vision Screener) is always very professional, friendly, and knowledgeable about the screening and what the results of the screening means for each child. She is great with the children, very gentle, kind, and patient. We feel so blessed to have this free service for our children! Thank you.

Jocelyn (Jocelyn Agra, Speech-Language Pathologist) has been a God send for my daughter Alexandra and me. Jocelyn has a loving and completely natural instinct with Alexandra. She has the great intention of doing the right thing for my daughter and this is backed up with her years of experience. As a mom she has taught me many things. Alexandra and I look forward to Jocelyn's visits. Thank you!

We are very thankful for the services provided by Ms. Linda (Linda Pinnell, Vision Screener). She always arrives and leaves the site with a smile on her face. She is always on time or early and is very patient with the children. She encourages all the children to participate and recognizes who is ready to start the "game" and who might need extra time. We hope to have Ms. Linda back to us next year. Thank you for all that you do!

We are very thankful for your program and what it has done for our son. He made a huge amount of progress in the year he received therapy. Jocelyn (Jocelyn Agra, Speech-Language Pathologist) worked well with him and balanced working hard with some fun to encourage his focus and motivation. We are very pleased with the program, our son's improvement, and Jocelyn. Thank you for the service you provide! There is definite need for this type program in Hawaii.

A coin a day so they can walk, talk, see and play!
