

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Grateful parents write:

I was so pleased that the therapist (Hedley Uetake, Speech-Language Pathologist) didn't need to help secure other services for my son because he really improved and didn't need other help. Our therapist went to my son's school and they accommodated me when I needed to schedule my son's appointments around my work schedule. The therapy didn't cost me anything which was wonderful.

Preschools and Day Care Centers Appreciate Elks Pediatric Vision Screeners:

Our vision screener, Candy Zinn (Pediatric Vision Screener) was wonderful! She was polite, efficient and friendly! We look forward to her returning next year!

We love this program! Thank you for your pleasant and fun screener, Katie (Katie Mackay, Pediatric Vision Screener).

Teresa (Teresa Schachtel, Pediatric Vision Screener) was enjoyable to work with and very patient with the children.

I would like to thank the California-Hawaii Elks Major Project, Inc. and Anna Galvan (Pediatric Vision Screener) for the great service you provide to our children each year.

We are mostly a low income family provider. Therefore, services such as provided by the Elks program greatly improve the health of our children.

Anna Galvan is awesome! I just want it known that I deeply appreciate her and the services. Thank you!
