

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Students feel confident about the results of vision screening exam:

I totally enjoyed working with Anna [Anna Galvan, Pediatric Vision Screener], she did a wonderful job. She dealt very lovingly with the children. She made them feel very confident about the results of this exam.

We appreciate you:

Thank you for your time and assistance in helping us meet the needs of our children here at the day care.

We appreciate the aid you have given to our children and will continue to use your program.

Child has increased confidence:

We really appreciate this program. Cyrus' previous occupational therapist had dropped him saying she couldn't help him any further. He needed ongoing help with fine and gross motor skills. Just working at home away from his Special Ed environment has increased his confidence. Deborah [Deborah VanBuren, Occupational Therapist] comes up with unique and innovative ways to help Cyrus.

Parents and son happy with therapist:

Both my son and I are happy with his therapist Jocelyn [Jocelyn Agra, Speech-Language Pathologist]. She is patient and easily gains his cooperation, and there is no question that I've asked that she cannot answer.

Thank you for including my son in this program.

A coin a day so they can walk, talk, see and play!
