

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Mrs. MacCoan (Terri MacCoan, Speech-Language Pathologist) is wonderful to work with. She is very caring and understanding of our family dynamics. She is creative and constructive with her therapy plan for Elliot. We are very pleased to be working with her.

It is a pleasure to work with LEEANNE (Leeanne Cadwallader, Vision Screener)! She is very willing and flexible to accommodate our small program and half-day classes. Thank you to all who are involved in providing this valuable service.

Mavis (Mavis Johnson, Occupational Therapist) is truly an amazing occupational therapist. We are so thankful for her and for this program. Mavis is phenomenal about offering suggestions for at home exercises and is careful and precise about her observations of my son, Ethan. In addition, she has gone above and beyond in her duties by helping me, on her own time, with information about school protocols and useful ideas that will help Ethan in all aspects of life.

Thank you as always for this wonderful program. Our school has used your services for many years and our parents are just so grateful and appreciative to you for this free service. Thank you Katie (Katie Mackay, Vision Screener) for your excellent work, rapport with our students and staff. You are appreciated!

Hedley (Hedley Uetake, Speech-Language Pathologist) was exceptional with both of my daughters. As a teacher she was on point with meeting the needs of both my daughters and figuring out ways to maintain their interest. The services that were provided by the Elks Association were great! Thank you for such a wonderful program.
