

## NEWS FROM YOUR ELKS MAJOR PROJECT . . .

### Preschool Directors write:

Over the years, the Elks have provided this service for our families. We are very grateful for your concern for our children. It has been a very beneficial service for our families. {Candy Zinn, Pediatric Vision Screener}

Thank you so much for caring and God Bless you!

\*\*\*\*\*

The vision screening was a delightful experience for our children, thanks to the screener Mrs. Adam {Joan Adam, Pediatric Vision Screener}. We appreciate this service given by the Elks.

Thank you!

\*\*\*\*\*

Once again it was a pleasure to have Nicole Smith {Pediatric Vision Screener} as our vision screener. This year she was as capable and cheerful as always, and we discovered she can also speak Spanish! (We have one new child whose primary language is Spanish and Nicole was able to communicate easily with her.) Thank you for your service.

\*\*\*\*\*

We just love and appreciate the Elks and what they do for our students. Many of them have been helped through your program. Linda {Linda Pinnell, Pediatric Vision Screener} is very professional and really knows what she is doing. We love working with her. Thank you Elks for all you do.

**A coin a day so they can walk, talk, see and play!**
