Thank you to CHEMPI, and to Pat DiMercurio {Regional Manager, North/Hawaii] for the awesome support and encouragement to improve and validation. I feel so blessed to work for this organization.

My heart and passion are in the therapy I provide to the kids. I love this program and will do my best to be a good employee.

Thank you.

A preschool expresses thanks to Candy Zinn, Pediatric Vision Screener:

We can't thank you enough for coming to our school to screen our students. We truly feel blessed that you would provide this to us as a free service.

You are so kind and professional. It's a pleasure to have you come. May God Bless you as you continue with this important effort.

A coin a day so they can walk, talk, see and play!
