

## NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Judy (Judy Linda, Occupational Therapist) was wonderful and we miss seeing her once a week. She always has a smile on her face and was so very helpful in getting our son to respond to her. I thank God every day for all her help and she is such a treasure. You have a wonderful program and I feel honored to have been a part of it. Thank you so much for your program.

We love Hedley (Hedley Uetake, Speech Language Pathologist). She's so innovative and creative in her methods on improving Tyson's speech. Tyson always looks forward to seeing Hedley every Wednesday. She brings fun toys and reads great children's stories that enforce the speech patterns Tyson is having trouble with. Tyson has improved so much with Hedley's help!

Gina (Gina Murphy, Pediatric Vision Screener) has been coming here for the past several years. The staff looks forward to her coming. She is always prepared and does a wonderful job making the children feel at ease.
