

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

I do see progress in my son Joseph's speech lessons. I am grateful to have speech lessons for my son. He is getting better and I see improvement!

Overall we have seen tremendous progress in a short time. Having participated in a number of programs, this is the first that has produced early and significant results. We hope that this progress can continue! Thank you!

Wyomi (Wyomi Yonzon Yockey, Vision Screener) is wonderful. She is not only professional and thorough, but very appropriate with our children. She is patient and kind with each child. We greatly appreciate the services contributed by the Elks Association. We look forward to working with Wyomi next year. God bless you all.
