

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Pediatric Vision Screeners great with children!

It is always nice to see the same person every year. Gina [Gina Murphy, Pediatric Vision Screener] knows us and remembers some of the children from the year before.

She is always great with the children, and puts them at ease.

Therapist gives care and support:

Denise [Denise Wilson, Physical Therapist] is a very caring therapist to our son. She is open to our questions and ideas and is supportive in our care and plan as well. Dalton enjoys her and responds well to her.

Parents and son happy with therapist:

Both my son and I are happy with his therapist Jocelyn [Jocelyn Agra, Speech-Language Pathologist]. She is patient and easily gains his cooperation, and there is no question that I've asked that she cannot answer.

Thank you for including my son in this program.

Vision screener a "keeper":

We love Linda [Linda Pinnell, Pediatric Vision Screener]. She is always so cheerful. She is always pleasant with students, staff and our volunteers. She's a definite "keeper." Thank you!

A coin a day so they can walk, talk, see and play!
