

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

The Best Thing About Your Program:

Your therapist came to us. It made it more comfortable for our daughter to work in. We loved our therapist! (Genie Ruddle, Speech-Language Pathologist) We liked that the program is very specific to our daughter's needs. It wasn't general help. Much patience was given and it was much appreciated.

Preschools and Day Care Centers Appreciate Elks Pediatric Vision Screeners:

Candy Zinn (Pediatric Vision Screener) is a true professional in every aspect of her responsibilities as a screener. We feel blessed to have her work with our students. Thank you for providing this important screening for our preschool students!
