Tracy (Tracy Archipley, Speech-Language Pathologist) is a great speech therapist with outstanding ways to teach my son. My son has improved a significant amount and I am very grateful.

Ms. LEEANNE (Leeanne Cadwallader, Vision Screener) is so professional when things get hectic here, she just rolls with it. She is very understanding and we are looking forward to her return next year.

We have learned so much from Judy (Judy Linda, Occupational Therapist). She has taught us many skills and techniques that have helped my son improve his focus and school performance. She is great at communicating with kids and adults and has inspired us with her techniques. My son is doing much better with sensory issues as well. We are grateful for the services the Elks have provided for our son. Thank you!

Mrs. PINNELL (Linda Pinnell, Vision Screener) is very professional and has a great repertoire with the children. She is very friendly and we enjoy having her come to our preschool. We appreciate the time and services we receive from the Elks.

Wyomi (Wyomi Yonzon Yockey, Vision Screener) was pleasant to work with. She was patient when I had interruptions and she was kind to the children. We are so grateful for the service you provide to our young children.
