

## NEWS FROM YOUR ELKS MAJOR PROJECT . . .

### The Best Thing About Your Program:

Hedley (Hedley Uetake, Speech-Language Pathologist) has been so wonderful! She is so patient, creative, and attentive to Ian. She gives me plenty of time to discuss my concerns and Ian's progress. She gets **"2 thumbs up"** from us!

Brian (Brian Ferri-Taylor, Physical Therapist) was an awesome physical therapist for our daughter. Brian no longer sees Hannah but she is doing excellent.

I would like to thank the California-Hawaii Elks for this opportunity that was given to my daughter, Jacquelynn. She has improved a lot with her speech and I just would like to thank you all, especially Aunty Genie Ruddle (Speech-Language Pathologist), for working with us. Aunty Genie made speech therapy very interesting and fun. My daughter was never bored and couldn't wait until her next visit.

Aloha.

### Preschools and Day Care Centers Appreciate Elks Pediatric Vision Screeners:

Our preschool really appreciates the services provided by Linda Pinnell, Pediatric Vision Screener and her group of volunteers. They are not only skillful in what they do but very friendly and helpful towards our little ones and our staff. We look forward to their services for years to come. Thanks.

Ms. Schachtel (Teresa Schachtel, Pediatric Vision Screener) was extremely pleasant and knowledgeable. Our screening experience was delightful. I appreciate all the time and attention that was given to the students.
