

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Mavis (Mavis Johnson, Occupational Therapist) is an outstanding OT. She makes a difference for my child and greatly helps with my child's OT and sensory issues. She is more knowledgeable than any OT I have ever met. Her assistance and techniques are superior in all aspects.

Leeanne (Leeanne Cadwallader, Pediatric Vision Screener) did an excellent job screening the children. We appreciate her talent when it comes to connecting with each child, as it helps them to feel comfortable during the screening process. We look forward to seeing her next year!

Miss Jocelyn (Jocelyn Agra, Speech-Language Pathologist) is a very good therapist. She is very professional and knowledgeable and very patient. She was a big help on my daughter's therapy. We owe a lot to her. I want to thank her for sharing her expertise with us and also I want to thank California-Hawaii Elks program. God bless you all!

I am with the Board of Christian Education at our school and worked all three days with Wyomi (Wyomi Yonzon Yockey, Vision Screener). I found her to be very well organized and on time each day. She worked well with the children as we have many that speak very little English. I loved working with her as did each of the other board members and parents.
