

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

To whom it may concern:

We are writing to express our heartfelt gratitude to the California-Hawaii Elks and Ms. Jocelyn Agra, Speech-Language Pathologist, for exceptional speech and language therapy.

Our daughter Jenna was enrolled in therapy in March 2004. Ms. Jocelyn's smile, kindness and ability to turn "work" into play immediately captured Jeanna's interest and motivation. Jenna looks forward to each Wednesday's visit. In addition to sounds, games and workbooks, Ms. Jocelyn taught Jenna little "tricks" with her tongue to produce certain sounds. Little by little, these new sounds turned "tea" into "key" and that "key" has opened doors to other successes, including Jenna's ability to share her ideas with others.

Jenna says, "I like Wednesdays because Ms. Jocelyn comes to visit me. She helped me to make nice sentences to tell my mommy, my teachers and my aunties."

Jenna will be discharged this week from the Elks program. We want to thank the Elks and Ms. Jocelyn for helping Jenna's speech and language development that has also boosted her confidence. Your commitment and efforts provide a valuable service to children in our state.

Aloha,
