

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

My daughter has improved considerably in the past year under Lisa's {Lisa Nelson, Occupational Therapist} care. My daughter is a pre-teen and Lisa has helped her tremendously in her self-esteem. Lisa has been incredibly helpful to me in explaining what is going on with my daughter. My daughter cares a great deal for Lisa and they have become close which has helped my daughter's progress greatly.

Hedley {Hedley Uetake, Speech-Language Pathologist} provided excellent services for our daughter. She established a very positive relationship with her and created a fun and motivating learning environment. As a result, the progress made by our daughter was awesome. We feel very fortunate to have been a part of the Elks program. Thank you very much.

We would like to thank the Elks for this program. I don't know what we would have done to obtain services for our daughter without the Elks. Thank you!

Hedley {Hedley Uetake, Speech-Language Pathologist} was an excellent therapist. She was able to engage my usually shy daughter and allow her to feel comfortable. She was very patient not only with my daughter, but also with the many questions my husband and I posed throughout Kelli's treatment.
