

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Vision Screening found eye sight problems:

Gina [Gina Murphy, Pediatric Vision Screener] has always been patient and caring when working with our children. She has helped a few of our families find eyesight problems and we love having her here.

We look forward to our participation each year:

I would like to thank Linda [Linda Nay-Morgan, Pediatric Vision Screener] and your organization for providing such a necessary service. We will continue to look forward to our participation each year. Linda is absolutely terrific at her job. Her knowledge of child development is always so apparent when she is working with the children. Linda helped one of our Hispanic children (who is very shy) complete the exam, and her skill and bilingualism were fantastic! Great job...

Thanks so much!

Therapist helps family:

We would like to share with you how much Mindy {Mindy Gulley, Occupational Therapist} has helped our family and especially our daughter Michelle. Mindy is a very caring person and a wonderful occupational therapist. We are grateful to have her as our daughter's occupational therapist. We owe to her a lot of Michelle's improvement. Thank you!

The Elks program is wonderful!

A coin a day so they can walk, talk, see and play!
