

## NEWS FROM YOUR ELKS MAJOR PROJECT . . .

### **Pediatric Vision Screening an added asset to center:**

We always enjoy Anna [Anna Galvan, Pediatric Vision Screener]. She is pleasant and works well with the children. She is patient and kind. The vision screening is an added asset to our center and has helped many times in early detection of vision problems. Thank you so much!

### **Parent grateful for program:**

I am so grateful for this program. Judy [Judy Linda, Occupational Therapist] is very helpful. Brandon has made great progress. We both really like Judy.

### **Program helped parents to understand son's diagnosis:**

This program helped us to understand our son's diagnosis like no doctor could. Sheila [Sheila McCarthy, Occupational Therapist] was wonderful in providing treatment ideas that we could implement at home. Sheila was very knowledgeable - very helpful.

**A coin a day so they can walk, talk, see and play!**
