

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Over the past 3 years Katie (Katie Mackay, Vision Screener) has done an excellent job screening our students! Thank you so much from all of us!

I felt that this program was exactly what my son needed. It was so great to have a therapist come into our home. He always had fun with her (Hedley Uetake, Speech-Language Pathologist) and she knew how to keep his attention! He has improved greatly! She was respectful of him and our family. He had so much fun that he misses his therapy time. We loved working with her!

Wyomi (Wyomi Yonzon Yockey, Vision Screener) did a great job as always. Thank you for this service. Every year a few children are referred and every year one of our little friends needed glasses. Thanks for the early intervention!

We are very happy with Maria (Maria Martin, Physical Therapist). She is wonderful with our daughter. We are grateful to have your services!

This is a very good service we have used for twenty years and every year there is at least one child that is helped by this service.

We love Linda (Linda Pinnell, Vision Screener) she is the best! The kids feel comfortable with her. Thanks Linda!

Teresa (Teresa Schachtel, Vision Screener) was very polite, respectful and professional towards the children, staff and parents. We really appreciate her taking the time to come and screen our children. We look forward to having her come back. Thank you!
