- ◇ Be the Therapist that you want to be.
- ◇ Doing the therapy you love with the support you need.
- ◇ Working with children and families in their own homes.

The California-Hawaii Elks Major Project is a non-profit organization that has provided Occupational therapy, Physical therapy and Speech/Language therapy services for children since 1950. There is no charge for services. The program is funded entirely by the generous donations of members and friends of the California-Hawaii Elks Association.

The Major Project is searching for therapists who enjoy working with children and their parents. The position is a full time salaried position. The therapist will maintain an office in their home and travel to the children's homes to provide therapy. Benefits include:

- ◇ Use of a company vehicle. Gasoline and maintenance expenses are reimbursed.
- ◇ 21 paid vacation days, 11 paid holidays, 11+ sick days, and 10 paid education days per year.
- ◇ Education expenses are reimbursed up to \$1,000.00 per year
- ◇ Professional membership dues and license reimbursed up to \$300.00 per year.
- ◇ Medical, dental, vision, malpractice and life/long-term disability insurance coverage.
- ◇ Pension plan
