U.S. FLAG DISPLAY CERTIFICATE

It is the desire of Elkdom to identify those persons or organizations that properly fly the Flag of our Country twenty-four (24) hours a day. We wish to present them with a token of our appreciation for their outward display and devotion to the American Tenants. Those organization (Federal, State, County or City) that are required to fly the flag by public law are not considered as the program is designed to honor those who extend themselves beyond the NORMAL PUBLIC DISPLAY OF AMERICANISM.
