

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Brian (Brian Ferri-Taylor, Physical Therapist) is a very caring physical therapist. We enjoy our working time and are very grateful for all the work he has done with my son. Evan has improved since the time we have had with Brian. We have nothing but good things to say about his work. We grant him many good wishes. The work he does with children is wonderful.

Katie (Katie Mackay, Vision Screener) was great as usual. The children all responded positively to her. Even the ones who did not want to participate. We look forward to seeing her again next year.

Miss Jocelyn (Jocelyn Agra, Speech-Language Pathologist) is a very professional therapist. She helps my daughter with speech therapy every week. Not only does she help my daughter, but helps me understand my daughter's needs. I'm very thankful to this program. My daughter is learning a lot every week.

Leeanne (Leeanne Cadwallader, Vision Screener) knows this age group. She is calm, patient and very clear with instructions. The children enjoyed playing the "pirate game". Thank you very much for offering this service. We really appreciate it. Thank you.

She (Denise Wilson, Physical Therapist) is a great and compassionate therapist. If my child was tired she worked around it and helped him pull through with no tantrums!
