

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

We are so grateful and appreciative of this service. Judy (Judy Linda, Occupational Therapist) is a fabulous person and so very skilled at what she does. My daughter was in desperate need of this type of therapy and we feel it is a miracle we were able connect with Judy for these services. Thank you so much to everyone at the Elks Association. Thank you from the bottom of our hearts.

Katie (Katie Mackay, Vision Screener) is wonderful to work with. Her commitment to vision screening is obvious in the way she deals with each child.

I think Brian (Brian Ferri-Taylor, Physical Therapist) is amazing! Brian is able to balance concerns, goals, care, and friendliness in one whole package. He is confident in his knowledge and experience and is more willing to take the time to show me or talk to me about something I appreciate the ease and comfort he shows Will in my home. I believe Brian is an asset to my child's development and I have learned from him. California-Hawaii Elks Association is lucky to have him as I am lucky to receive what they have to offer.

As always Linda (Linda Pinnell, Vision Screener) is a pleasure to have here every year. She is nice, informative, caring to our students and always in a great mood. She is a pleasure to work with each and every year. Thank you so much for providing this valuable service to our students. We are so very blessed by your Organization and Linda.

Leeanne (Leeanne Cadwallader, Vision Screener) was our screener last year and she is professional and great with all the children. I admire her ability to remember children from the previous year. Thank you, we truly appreciate this important service.

A coin a day so they can walk, talk, see and play!
