

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

I cannot thank you enough for providing this valuable service to our families. Because of this screening, there have been over seven children whose vision needed to be checked further. Teresa (Teresa Schachtel, Vision Screener) is fantastic with the children and very good at administering the screening. I am delighted with this program and look forward to next year. Thank you!

Judy (Judy Linda, Occupational Therapist) is the best Occupational Therapist I know. Her knowledge and compassion of my son was pivotal to his recovery and treatment. She never gave up on him when doctors did.

I really loved all the help Maria (Maria Martin, Physical Therapist) gave to my granddaughter. Maria is a very kind and giving person.

We really love Gina (Gina Murphy, Vision Screener). She is always so kind and patient towards our staff and children.

Denise (Denise Wilson, Physical Therapist) was wonderful. She helped my son reach amazing goals in the short time she worked with him. Denise also showed some great techniques to use when I work with him.

Thank you so much for the service you are providing our children and families. Because of your efforts we were able to identify a total of eleven children needing vision follow ups. Linda (Linda Pinnell, Vision Screener) has exceptional patients and the children respond to her pirate game quickly.
