

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Denise (Denise Wilson, Physical Therapist) is a kind, compassionate therapist who bonded with Jason. She pushed him to improve and excel. Now he is walking, running and climbing at two years old. We will surely miss her. Thank you.

Wyomi (Wyomi Yonzon Yockey, Pediatric Vision Screener) is the best! We look forward to seeing her, as well as having her work her magic with the children. Our parents are so comfortable while working with her, the children have fun and she is so adept at finding any issues a child might be having with their vision. Thanks for sending her to us.

Genie Ruddle (Speech-Language Pathologist) is a wonderful teacher. She is so awesome with kids. She was very easy to talk to and was very helpful. After working with her and my child he is so much better at saying his letters the correct way. I am grateful to have been able to participate in this program.

Miss Cadwallader (Leeanne Cadwallader, Pediatric Vision Screener) was very polite, respectful and very professional. Everything ran very smoothly and we will recommend this program to other schools we know. Thank you for such a wonderful service.

Brian (Brian Ferri-Taylor, Physical Therapist) works well with Richard. He shows us things to help him and Richard works really hard after he leave to show Brian the next time he sees him. Brian takes the time to talk with us so that we can help Richard. We want to thank you for letting Brian come to our house to help our son.

We couldn't have been happier with our vision screening. Ms. Villanueva (Dina Villanueva, Pediatric Vision Screener) was wonderful to work with. She was totally professional and the students were made to feel comfortable and safe. I really miss seeing Ana but Dina is a great addition to your program. We look forward to seeing her next year. Thank you for this valuable opportunity to help our students.

A coin a day so they can walk, talk, see and play!
