

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Occupational Therapist Valerie is amazing. We are so thankful for the time and advice with our son. We are very appreciative to the California Hawaii Elks Major Project for the services my son receives. Your organization changes lives in such a positive way it's hard to express in words. Thank you and thank you for all you do.

Thank you so much for providing this service for our children. Preschool Vision Screener Kim was wonderful and patient with the kids; a true professional! We definitely want to participate again!

We would love to have Speech-Language Pathologist Hedley continue to service our child. Her service has improved his speech ability tremendously in the past year alone. Hedley is an awesome, awesome speech therapist! She's very professional, prompt, and works well with children! We've had 2 years working with her. Our child names her as one of his Preschool teachers! We miss Hedley's insight in helping our Childs speech.

Preschool Vision Screener Linda was wonderful! She came prepared to screen at both centers for our event. The event went smoothly. She interacted respectfully and was friendly with our parents and the children were comfortable with her.
