

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Our Speech and Language Pathologist Jocelyn has been awesome in working with Cali-Joslyn. She really is taking her time in assessing Cali-Joslyn's needs. Jocelyn offers great exercises to do at home so Cali-Joslyn is receiving great assistance and benefiting greatly from her speech therapy.

Occupational Therapist JanDee is very caring, firm and loving. She genuinely cares about my daughter and her progress. She is fair and follows through with everything she says she will do. It is always a pleasure when we spend time with JanDee and our whole family (including our dog) looks forward to seeing her every week. Thank you for your services you provide.

Pediatric Vision Screener Wyomi is wonderful! She holds my hand as a director and makes sure I have done everything to remind parents of screening dates. Love, Love, Love her and the service you provide our children!

* * * * *

Speech and Language Pathologist Hedley Praises Maddox when he does well. Her activities and enthusiasm engages Maddox. He loves to participate in all of her activities. She gives helpful instructions and activities that we can practice at home with Maddox.
