

Summer 2022
Volume 69, No. 4

Brad and Agnes Smith
CHEA President & First Lady 2022-2023

The ELKS will be in the ROSE PARADE!

After many years of trying and with renewed recent effort, the Elks have been approved to enter a float in the 2023 Rose Parade!

While the main effort originated in California, with our Sponsors and CHEA Executive Director, Timothy C. Martin, our Grand Lodge and the Elks National Foundation have offered financial support for the effort, which is greatly appreciated. Many will recall the Elks floats in the parade in the early 1990s, and having the Elks name again in front of millions of viewers in January gives us a unique opportunity to present to the world everything that is good about Elkdome!

Our Sponsors are waiting for further information from the Tournament of Roses Committee as to the contractors that will be involved. A great deal of work will be needed, including design and construction, and as New Year's Day approaches there will be opportunities for members of area Lodges to help by coming out to Pasadena to help glue flowers on. But more on that later.

Be on the lookout for updates, and be sure to watch the Rose Parade in January to see Elkdome on full display.

Sincerely and fraternally,

Honorable Louis J. Grillo, PGER
Honorable Robert L. Duitsman, PGER

Oceanside PDDGER Edward T. Novack's Estate Donates to the Major Project

Oceanside Lodge 1561 received a generous donation to the California-Hawaii Elks Association Major Project. The estate of PDDGER Edward T. Novack and his wife Pauline left a gift of \$400,000 for the Major Project. The generous gift ensured our Association of breaking the \$4,000,000 barrier for the first time. Our many thanks to the Novack's for their generosity.

The Novack's were also interested in the graduating seniors in the Oceanside Unified School District. Their estate set-up the Edward-Pauline Scholarship Fund with another \$400,000 to be managed by the Oceanside Lodge Trustees.

A Few Words From Your Editor

Ted Olsen, PER • Santa Clarita Elks 2379

California-Hawaii Elks Association Members, I am pleased to have been appointed to continue as our magazine Publishing Editor for another year. However, I hope you will try to make my job easier, not harder. I implore you to submit articles. For the issues during the pandemic, I can understand a downturn in the articles I received. But now that you are all up and running, please do not forget your Association Magazine.

Please write about the good works your Lodges do within your communities. When submitting stories to your local newspapers, magazines, and social media outlets, please remember the CHEA Magazine. Your stories may spark ideas in other Lodges, if something works for your Lodge, it very well might for others. Thank you.

Santa Maria Lodge 1538 Awards \$22,500 in Scholarships.

The Lodge held its annual Student of the Year Banquet in May, with a total of \$18,000 being awarded to the top six high school students, and the 14 Student of the Month recipients. Over the past year \$4,900 was distributed between the 14 students of the month. Additionally, the Lodge donated \$4,500 to the Allan Hancock College Foundation, to help transferring students from local High Schools. Pictured above are the Scholarship Winners.

In other news, the Lodge held its semi-annual parking lot Swap Meet in May, having Food Trucks added to the fun. \$2,000 was donated to the Golden Circle of Champions for children fighting cancer.

Donald D. Shultz

CHEA President 2015 - 2016

It is our sad duty to report that Donald D. Shultz, Past Association President, passed away on June 4, 2022.

President's Message

Brad Smith, President
California-Hawaii Elks Association

Greetings, Aloha!

We have just completed the CHEA Convention in Fresno. This was the first "full" convention we have been able to hold in a couple of years. What a tremendous event it was. It filled us with joy to see so many smiling faces sharing information and networking to further all that we do for Elksdom.

At the Convention, between all of the business meetings and informational sessions, I was installed as your President for 2022–2023. It was a surreal experience to stand before the large auditorium full of the most dedicated Elks of our Association, and speak to them as a leader. For years, I have been sitting in the seats of the faithful Lodge members, on the convention floor, I was greatly inspired by our past leaders. Now, I am tasked by this Association to help inspire and lead this organization on its journey forward for the next year. This is a high honor as well as a significant challenge that I take most seriously. We are ready for the challenge.

First Lady, Agnes, and I thank you for your unbelievable support as we now move forward to spread this year's theme: "Building Elks' Legacy: Lodges, Membership, and Community Service". These are the building blocks of our Order. As we began to spread this simple theme, your messages of support and involvement have been overwhelming and have inspired us to move ahead. We look forward to seeing many of you as we make our way through California and Hawaii during our visitation to your District.

We are delighted that we are coming out of the activity limitations of the pandemic. Through all of this, Past Association President, Tim Jaeger, encouraged us to "Step up to a New Age". There is no question that we heeded those words and are stepping up. Then last year, Junior Past President, Jay Larkins, energized us with "The Future of Elksdom Begins with You". We, through our volunteerism, are moving ahead. More members have taken the action to step-up with their volunteerism, mainly because Lodges can't afford some of the expenses of past operations in addition to the cost increases of operating today. We have learned to adapt, survive, even thrive in the new age.

There are five C.H.E.A. programs that I've selected for special emphasis: Membership/Retention, Major Project/Piggy Bank, National Veterans Service, Rituals of our Order, and Public Relations. Succeeding in these programs will make our Lodges and members successful. Successful members create the wave of momentum in which Everyone wants to be a part. Together, WE are that wave. As Elks our programs build that momentum and Make Lives Better!

Your Association Vice Presidents, known as the "BUILDERS", are the personal representatives of the President and this Association in your Districts. Please support them and show your appreciation. I have met and enjoy working with each of them. I know they will

do a fantastic job of spreading the word of Elkdome, promoting our Programs, and encouraging participation.

With your help, Agnes and I and the "BUILDERS", are planning a great year. We call on every CHEA Officer, Board Member, Committee Chair and Vice Chair, Special Assignment Chair, and CHEA employee, in partnership with every District Leader, District Deputy, Past District Deputy, GL Special Representative and Advisor – we all plan on making this an outstanding year for our Association.

CALLING ALL MEMBERS. Now, is time to volunteer in building Elkdome, and we are the "Builders" who will make this happen. We will look to the fantastic legacy of our Order's past, and all of their accomplishments across the Nation. We owe our forefathers, and the historic legacy that they built, our full effort now to maintain and build on that legacy. They didn't grow and maintain this incredible organization to see it wither or falter at the end of their watch, and neither do we.

Making Lives Better! Sometimes I repeat the themes. They are important to me, and I hope important to you in helping us all focus on the same target: "BUILDING ELKS' LEGACY"

Elks National Foundation

Joe Tato, PDDGER • Chairman

I'd like to introduce the newly appointed team leading ENF fundraising for 2022-2023. I am Joe Tato from San Rafael Lodge 1108, and I will be acting as the CHEA ENF Chairperson. Our ENF co-chairperson is Kealoha Arelliano from Orange Lodge 1475. Kealoha will also be overseeing the ENF Grants Committee. We would both like to thank David Coleman for his leadership and successful fundraising for the Elks National Foundation in 2021-2022.

The mission of the Elks National Foundation is to help build stronger communities. Thanks to the ongoing support of our donors, ENF continues to fund much of the great work our Lodges provide to our communities.

To understand the impact ENF fundraising has on the California-Hawaii Elks Association, consider that during the 2021-22 Lodge Year, the Elks from California-Hawaii donated \$1,291,174 to the Elks National Foundation. In return, this year's ENF will provide California-Hawaii the following funds:

• State Charities Grant	\$897,490
• Special Projects Grant	\$620,720
• Bonus Grant	\$165,240
• Most Valuable Students	\$308,000
• Legacy Award	\$108,000

TOTAL \$2,099,450

But that is just a part of what ENF returned to CHEA. Every year the Elks National Foundation helps to start off our annual Piggy Bank March at the CHEA Convention. At this past CHEA Convention, ENF donated \$1,000,070 to the California-Hawaii Elks Major Project (CHEMPI).

In addition to the grants noted above and the donation to CHEMPI, ENF donated \$855,850 in Community Investment Programs to 125 lodges in California and Hawaii.

Be sure to promote this information in your boosters, on Lodge bulletin boards and websites to encourage giving to the Elks National Foundation. This information is available on the Elks-ENF website at <https://www.elks.org/ENF/Yourstate.cfm>.

As we look to what we can achieve this year, I am happy to report that we are off to a great start. To date, we have raised \$157,000. To keep this momentum going, please be sure to register the chairperson for your Lodge and District. Keep in mind, ALL ENF fundraising Chairpersons must register every year, even if they are returning. The registration is found at [elks.org/enf/ENFChairmanRegistration.cfm](https://www.elks.org/enf/ENFChairmanRegistration.cfm). If you have difficulties registering, please contact myself or Kealoha.

To fully appreciate the work of ENF and bring its impact to your community, consider applying for the Beacon and Spotlight Grants. These program applications opened on June 1st and are available at [elks.org/cip/dashboard](https://www.elks.org/cip/dashboard). If you have any questions regarding CIP programs, contact CHEA Vice-Chairperson Kealoha Arelliano at karelliano@yahoo.com.

It is easy to make a difference. Here are ways you, our Elk families and friends, can give to the Elks National Foundation:

- 1) Become a recurring donor through the Fidelity Club. With as little as \$5 a month, you can make automatic, regularly scheduled donations through your bank account or credit card via: [ENF.elks.org/reoccurring](https://www.elks.org/reoccurring)
- 2) Consider naming ENF as your matching charity through work sponsored donations.
- 3) Make a one-time donation to the Foundation by check or cash to your lodge, or online at the ENF website: [ENF.elks.org/MyLodge](https://www.elks.org/MyLodge).
- 4) Participate and bring a friend to your lodge's next ENF fundraiser event.

For any ENF related issues, please contact me at: j_tato@yahoo.com.

Thank you for your continuous support of the Elks National Foundation.

Gilroy Lodge 1567 presented the \$2,000 Spotlight Grant to Cecelia's Closet and Food Bank. This program is part of the Edwardo Boss Prado Foundation in Morgan Hill that provides clothing and food for those in need. The partnerships, programs, and sponsorships focus on directly helping families most in need in the South Santa Clara County area and have served over 20,000 people. Pictured above (l-r) Gary Ponzini, CEO; Edwardo Boss Prado Foundation; Alex Hernandez PER; Cecelia Ponzini, CEO; Edwardo Prado Foundation; Mel Baker ER; Beverly Baker, Lodge Trustee; and Danny Mitchell, Trustee.

In other news, the Lodge presented a \$3,500 Beacon Grant check to St. Catherine Catholic Church in Morgan Hill for their Reach Out Emergency Food Distribution Program. This program provides food for those in need in the communities of Morgan Hill, San Martin and Coyote areas.

Hemet Lodge 1740, used a \$10,000 ENF Focus Grant, to help furnish new apartments for homeless vets at March Air Reserve base. The US Vets organization, at March Air Reserve Base, was instrumental in organizing and distributing the items.

In other news, the Lodge welcomed students from local schools who received awards and checks for winning the Elk sponsored Americanism Essay Contest.

Membership Retention and Lapsation

Diane Pryor-Stout, PER • Chairman

Happy Birthday U.S.A. 246 years young. WOW! And, the Benevolent and Protective Order of Elks is 154 years old!

One Hundred Fifty Four years of service in communities across our great nation. The oldest, continuously active Lodge in all of Elksdom is right here in San Francisco, California - Lodge No. 3. Just think 15 actors came together and started this great organization in New York. The organization began its benevolent efforts by supporting the widows and orphans of their fallen members.

Local Lodges, whether large in membership numbers or membership of few of our goals are the same. We support our local communities in many endeavors. We promote and support innumerable scholarships. We support our Purple Pig in their support of children with special needs. And, of course, we strongly support our Veterans Programs and our active-duty service men and women. *"As long as there are Veterans, the Elks will never forget."*

Be a hospitable, confident, and engaging Lodge to older and newer members alike. Encourage your members to be an active member. The Local Lodge with active and involved members is the Lodge that grows not only in numbers, but has members who feel they are part of the workings of the Lodge. This creates a joyful involved membership which causes membership to grow.

Make membership your number one priority! Remember if it has been said once or a thousand times; ...without members we do not have an Elks Lodge. Who then is going to give back to our communities?

Shine in your Lodge and community. This is what attracts Members to your Lodge and those Lodges continue to grow and give back to our great communities in our great states of California and Hawaii. You can be that person who shares what your Lodge is doing. Be a "Builder" in Elksdom, this increases membership!!!

Roseville Lodge 2248 sponsored a "Be the Bunny" project for children living at Roseville Homestart 's housing complex. Homestart, run by the Volunteers of America, provides traditional housing for people in need, and the children living there do not usually celebrate holidays in ways we may be used to. Lodge members gathered at the Lodge to fill over sixty Easter Baskets with goodies, then the baskets were delivered to the housing complex by Chair Becky Huls and ER Shannon McCann, pictured above.

Exalted Rulers, when you receive the letter and a copy of the contest for 2022-2023, take some time and fill it out. It doesn't take that much time and perhaps next year your Lodge will be an All American winner.

Thank you to all the Lodges who did take the time to fill out the forms and submit them.

Glendale Lodge 1289 donated the Spotlight Grant to Ascencia's Move-In-Monday program for the newly housed homeless, qualified through a series of steps, i.e. mental, health, money management, to insure the sustainability. Pictured above is Dr. Laura Duncan, Executive Director.

In other news, the Lodge used its Beacon Grant, to provide household items to newly moved-in Veterans. Grocery store gift certificates were also provided.

8 The California-Hawaii Elk

Americanism

Robert A. Pickett, PDDGER • Chairman

One of the most important programs that Grand Lodge has is the Americanism program. Despite the challenges presented over this past year, I am extremely proud of the way the Lodges of the California-Hawaii Elks Association

have managed to steer their course of action in the best interest and safety for the membership and their respective communities.

A special thank you goes out to Jay Larkins, Past CHEA President, and Tim Martin, CHEA Executive Director, for their guidance with this committee. Thanks to all of the District Chairs for participating in the American Essay contest. Thanks to the teachers and parents that encouraged their students, we had some outstanding entries again this year. The competition was divided into two groups - Division 1 (5th and 6th graders) and Division 2 (7th and 8th graders). The competition started at Lodge level where schools were encouraged to participate. Lodges then gathered the top entries and forwarded them on to the District Chairmen. In turn, the district top winners were sent to the Association chairman for State level contest. The first place winners for each division were then sent to Grand Lodge to compete against the winners from the other State Associations. Thank you to all of the Lodge's, Districts, and Association judges for their assistance in promoting this contest and the Americanism program throughout our Association. The Association judges for the essay for the fraternal year 2021-2022 were as follows: Don Checchi, PDDGER (District Leader), Kathy Checchi (a retired school teacher), Margy Pickett (PER, Santa Monica 906), Gloria Steck (Trustee, Redondo Beach 1378), and Ray Broussard, PDDGER (Santa Clarita 2379), for their help in judging all of the essays this year. All of the judging was completed, and the Association winners are listed below:

Division 1 (grades 5-6)

- 1st Place • Erin M. • Glendale Lodge 1289
- 2nd Place • Than N. • Duarte Lodge 1427
- 3rd Place • Kami J. • Santa Monica Lodge 906

Division 2 (grades 7-8)

- 1st Place • Olivia N. • Van Nuys-Reseda 2790
- 2nd Place • Monty L. • Pasadena Lodge 672
- 3rd Place • Janet R. • San Rafael 1108

I am looking forward to working with the district chairmen this year on the Americanism reports and duties. The Americanism report not only covers Flag Day, Memorial Day, and Patriot Day, but also includes entries from veteran events, scouting events, youth activities, senior citizen events, food banks, community recognition events (firefighter and law enforcement nights), and Antlers programs just to name a few. This year I am highlighting the Military Thank You cards, and Flag Flying certificates, as well as the Anti-Desecration of the US Flag petition. I encourage members to wear a US Flag pin on their lapels to show your Patriotism for our country.

The goal of the Americanism Committee of the California-Hawaii Elks is to increase patriotism in our Lodges, homes, schools, communities, and nation. As members of the Benevolent and Protective Order of Elks, it is our sacred duty to see that our glorious Flag ever flies, that proper tribute is paid to our military and that the Spirit of Freedom never dies.

Santa Monica Lodge 906, with the help of the Girl Scouts, Daisies, Boy Scouts, and community members, put flags on the graves of Woodlawn Cemetery. The Santa Monica Elks started the official Memorial Day activities over 75 years ago at Woodlawn Cemetery. Pictured above is Exalted Ruler Tom Roszhart and First Lady Jaynee, helping the scouts.

Chico Lodge 423 partnered with a local business owner who put on a Veteran's Car Show at the Lodge. Hundreds of locals came out to enjoy the vintage cars and wartime vehicles. The Lodge provided food and raised almost \$3,000, which was donated to the Chico VFW Post.

In other news, the Lodge held an Easter Brunch for members families. Children had photos taken with the Easter bunny prior to the annual Easter Egg hunt. Nearly 100 children participated in the Easter Egg Hunt.

Banning-Beaumont Lodge 1839 presented a \$300 check to the San Geronio Girl Scouts. The money, donated by members, will be used by the Scouts for summer camp.

San Diego Lodge 168 held their annual Youth Awards Ceremony in May. Over 120 youth, parents, teachers, and Lodge members attended, with awards presented for Americanism Essay Contest Winners, Hoop Shoot Winners, Drug Awareness Contest Winners, and Scholarship Winners. Pictured (l-r) are Matt Pires AVP, the CHEA Association and South Coast District Drug Awareness Video Winners, , Tahlia S., Samantha L., Sophia L., and Kathleen Kuttler, PER, Drug Awareness Chair.

Public Relations

Patrick Akes, PDDGER • Chairman

Hello and Aloha,

Congratulations to our new Association President Brad Smith and First Lady Agnes. Best of luck to all of our new and returning Chairpersons as well.

As the Association Vice Presidents start their Lodge visitations and spread the message of our Association President Brad Smith about building our Lodges, their membership roles and community image, may we get motivated again to keep pushing on.

One of the big questions is, where do we start? Well, if you and the lodge members have tried everything to get new members, maybe it time we start thinking outside the box. What are you passionate about? If you are passionate about something that is not happening at the Lodge, maybe it is time to bring new activities and events to your Lodge.

Initiate conversations with the leaders of the different activities within the Lodge about what they would like to see. Always have an open ear to ideas from all angles. Something that did not do too well five or ten years ago with a different approach might be well received this time around. Some programs fizzled out as they were held yearly and the subject or the volunteers just got tired. Look back into programs that were once yearly and quite possibly rotating them into your program list might add a little interest from different directions.

We are all aware that there are only 52 weekends in the year and some of them are set in stone. Christmas, New Years Eve, Association Conventions, Grand Lodge Convention are not moving their dates any time soon. However, a Christmas in the summer months for your Veterans or other groups could be a different pace.

The job of projecting a favorable image to our members and the members of our community is everyones responsibility.

Once again, Congratulations to the people of the new term. And "Thank You" to those that held the torch in the past.

Until next time, remember, It's GREAT to be an Elk!

Thank you and Mahalo!

Hoop Shoot

Henry "Rick" Ross, PER • Chairman

I wish to take this opportunity to thank all of the CHEA Officers who recommended me to be this year's Hoop Shoot Chairman. A special thanks to Mike Rittenhouse, who has been extremely helpful in preparing me for this position. I am very grateful, proud and excited to assume the responsibilities necessary to achieve good results in this year's exciting Hoop Shoot events.

I was in Chicago to attend the 50th Anniversary of our National Hoop Shoot event, which was a great experience. Three of our Region 7 finalists were from California and Hawaii. Our two sisters, Kira and Kyla, were sponsored by Riverside Lodge and Kekane who was sponsored by the Kona Lodge, were outstanding in the Nationals. Kyla was the National winner in the 10-11 year old girls group.

My main objective for this fiscal year is to **increase all Lodge participation in our Hoop Shoot Program**. I have already started by sending each District Hoop Shoot Chairman, a list of the Lodges under their jurisdiction that did not host an event last year. They will be encouraged to contact each Lodge chairman to find out what obstacles prevent them from holding their event and what can be done to correct the issues.

Our program provides all Lodges with a great opportunity to connect with their communities and serve youth in a meaningful way. To be successful, the program requires **planning, organization and most importantly, Elk Volunteers**. Communication from all of us is extremely important in getting the results we set out to accomplish. Our Hoop Shoot program provides a character building, competitive experience for all contestants. Participants learn about the importance of respect and good sportsmanship. Through each level of competition, contestants support one another and learn to win or accept defeat gracefully.

David Martin, from the Atascadero Lodge, has been appointed Vice Chairman. I met with David at our recent CHEA Convention and we will work together very nicely. Welcome aboard David!

Kyla's drive to succeed has taken her from Riverside to become crowned Elks Hoop Shoot National Champion.

I am so proud of our Region 7 Hoop Shoot Champions:

The bears will be in patrol cars for the Officers to give to any children that may be in distress while on patrol, during traffic stops, or accident scenes.

Banning-Beaumont Lodge 1839 participated and contributed over \$600 in donations to the VA in Redlands in May. Lodge Veteran's Chairperson Jacquelyn Atwood and Lodge Treasurer Joyce Bryant helped to gather and deliver the necessary items for children of local Veterans. The VA in Loma Linda held the drive-up event which was geared towards assisting Veterans with young families to help meet their needs.

Scholarship

Bob Farrens, PDDGER • Chairman

Many years ago, I was told that the only thing consistent with the Elks Scholarship program was that it is constantly changing. I have found that comment to be true. The

way we scored the applications has changed many times over the years and will probably change again in the future. The financial section used to be 35% of the application, now it is 10%. Many colleges and universities no longer consider ACT or SAT test scores which were big factors in the academic section. We used to score applications on paper, now you score the applications on a computer and the top lodge applications are automatically sent on to the district chairman. After the applications are scored at the district level the top applications are forwarded by computer to the CHEA level. Exalted Rulers, it is extremely important that your Lodges have scholarship chairmen and that your lodge secretaries have appointed them as the Lodge Scholarship Coordinator in CLMS. Your Lodge will not have any input on the judging process, if you do not have an appointed coordinator.

The Most Valuable Student Scholarship Competition Application will be available online at elks.org in August 2022. The actual dates for the Most Valuable Student Scholarship will be released after the Elks National Convention in July. The Elks National Foundation awards 500 four-year scholarships to the highest-rated applicants in the competition each year. Seventy-seven of the winners will be from the California-Hawaii Elks Association. These scholarship awards range from \$1,000 each year to \$12,500 each year. Please check elks.org for the dates.

Legacy Awards are \$4,000 scholarships that are available to children and grandchildren of Elks members. There are twenty-two Legacy Awards set aside for applicants from the California-Hawaii Elks Association. The actual dates for the Legacy Awards will be released after the Elks National Convention in July. Please check elks.org for information on eligibility and dates.

Emergency Educational Grants provide undergraduate college financial assistance to children of deceased or totally disabled Elks in the form of renewable, one-year grants of up to \$5,000. The grant is for educational assistance only and is not intended to cover the entire cost of a college education. Please check elks.org for more information on eligibility and dates.

The **California-Hawaii Elks Association** provides **Vocational Grants** that are open to anyone residing in California or Hawaii, who is a citizen of the United States of America and planning to pursue an eligible vocational/technical (voc/tech) course resulting in a certificate or two-year degree and leading to employment opportunities. The program is open to male and female applicants who will be judged on an equal basis. While graduating high school seniors may apply, it is not limited to high school students—in fact, it is open to all prospective students who require training or retraining to compete in the workplace. The Vocational Grant is for one academic year,

with an option to renew for one additional academic year. This grant may be used only for usual and required costs of student's course of study; that is, for tuition and fees, room and board (if living on campus) and books and supplies. Payment will be made to the school. Awards will be between \$500 and \$2,000 for an academic year depending on the length of the course.

The definition of an eligible program shall be comparable to that contained in the federal vocational legislation. That is defined as a two-year or less vocational/technical program culminating in a terminal Associate degree, diploma, or certificate, but less than a baccalaureate program (Bachelor's degree). Online and correspondence courses do not qualify. For more information, please go to the CHEA Website at: **Scholarships California-Hawaii Elks Association (chea-elks.org)**

California-Hawaii Elks Major Project, Inc. also has an Undergraduate Scholarship Program for Students with Disabilities. This scholarship program is a financial needs-based and academic use scholarship. It is intended for undergraduate work at an accredited community college, four-year college, university, or licensed vocational school. The funds cover academic expenses only, which includes tuition, books, lab fees, and on-campus room and board. During the years in which this annual scholarship assistance competition has been in existence, the California-Hawaii Elks Major Project, Inc. Undergraduate Scholarship Program for Students with Disabilities has increased from five scholarships of \$1,000 to twenty to thirty scholarships of \$1,000 to \$2,000 each. Scholarship recipients may reapply each year. If qualified, they can receive up to a total of four years of assistance. For more information, please go to the CHEA Website at: **Scholarships California-Hawaii Elks Association (chea-elks.org)**

Gilroy Lodge 1567 held a Scholarship fundraising concert with a performance by the Pacific Brass Band conducted by member Jim O'Briant. At the event the Lodge presented \$10,000 in scholarships to the recipients who were in attendance. Six of the students were from local area high schools along with the recipient of the Lodge Occupational Therapy Scholarship from Gavilan College.

BLT Legacy Giving

Lynn Glick, PDDGER • Vice Chairman

Greetings Members:

It was wonderful to see so many Exalted Rulers and lodge members at our recent CHEA Convention in Fresno. Barbara and I enjoyed catching up with old friends and meeting new friends. The biggest thrill came when we gave out plaques to members who made significant contributions to the BLT this past year. I felt especially grateful, because two recipients I previously spoke with about the Commitment Trust, created trusts before the end of the year. Another recipient is an old friend, and I was so happy to give him that plaque. Old friends, new friends, anyone can participate in the Bequests and Living Trusts program.

The Commitment trust program is just one of many ways to give to our Major Project through the BLT program. Another way is through your will or trust. You can also designate California-Hawaii Elks Major Project Inc. (CHEMPI) as a beneficiary of a bank account or insurance policy. You can designate gifts of stocks or real property. Here is sample language you can provide to your attorney or financial advisor. **"I give the sum of \$___ or ___% or I give the following property to the California-Hawaii Elks Major Project, Inc., 5450 East Lamona Avenue, Fresno, CA 93727-2224 (Tax ID: 95-1919366) to be used or disposed of as its Board of Trustees deems appropriate in its sole discretion."**

Any member who makes a gift to the Major Project through the BLT program can be recognized during their lifetime under the Benefactor program. Or, if you prefer, you can donate anonymously. Either way, you help support a great program that helps thousands of kids every year. If you want to document your gift and receive recognition, just send a signed and dated statement to the CHEMPI office in Fresno, indicating that you have made a gift to the Major Project through the BLT program. You will receive a form. After you return the completed form to the Fresno office, your name will be placed on the BLT master list, and you will receive a Benefactor's Certificate and a distinctive triangular BLT lapel pin, which you should wear with pride.

I hope everyone continues to stay safe and have a great summer! Barbara and I are looking forward to seeing everyone at the Mid-Term Conference in Burbank. Remember, if you have any questions at all, please give us an email or phone call. We are always happy to give information or steer you in the right direction if we do not have an answer.

Oceanside Lodge 1561 donated \$500 worth of children's items to Operation Hope. Anneliese Petitt of Operation Hope (shown on the right) received donations from Lodge Hugs from Home Chairman, Sandee Muirphy.

In other news, Sandee Murphy, delivered a quilt, made by Dorothy Traver, to Army Veteran Richard Aliviado.

Ontario Lodge 1419 donated \$1000 to the Hope through Housing Foundation. Pictured is Exalted Ruler John Riccardi, who presented the check to Melody Sitt, Services Coordinator for the foundation.

Fullerton Lodge awarded scholarships to seven local high school students. Combined, the scholarships totaled \$5,750. The funding for these scholarships was raised by Lodge members selling fireworks at the Mark Givens Memorial Fireworks Stand. Pictured above (l-r) are ER Marie Nunez, Troy K., Amanda A., Abbey L., Eliza L., Logan C., and Scholarship Chair Trudy Nzuma. Two of the recipients are grandchildren of Fullerton Lodge members.

In other Lodge news, Allen Bisbee, AVP, unveiled a new Elk statue at the entrance to the Fullerton Elks Lodge during his visitation.

Drug Awareness

John McEntire, Jr, PDDGER • Chairman

Hello everyone. I hope that this article finds you safe and healthy. My name is John McEntire, Jr., and it is my honor to have been selected to serve as the CHEA Drug

Awareness Program Chairman for the upcoming year. I am a PDDGER from Duarte Elks Lodge 1427 in the San Gabriel Valley District in the Southern California area. I have had the pleasure to serve for two years as Drug Awareness Program Vice Chairman, working with Chairman, Dave Provan. Dave and I feel that we made a unified successful team and I feel fortunate to have had the opportunity to work with and learn from him. I now look forward to working with Vice Chair, Susan Good, PDDGER from the Fresno Lodge.

As I return from CHEA Convention, I want to thank everyone who stopped by the Drug Awareness Booth during their time before and after meetings. When you stopped by the booth, you were able to see the many pieces of DAP literature which are available to Lodges free of charge. You were able to find out about the newest DAP Poster, and resources available and you also were able to see examples of the 2021-2022 DAP Poster and Essay winners both District and State. I am sure that you had most of your questions answered and now are armed to go out and spread the DAP word so that the youth of our areas are able to make wise decisions in regard to a healthy and safe lifestyle.

I can't believe the summer months have arrived. Even though many schools have started their summer break, now is the time for us to start planning for fall school activities such as Red Ribbon Week. Remember, School District Officials work all year round, and summer is a great time to visit the District Administration and introduce our programs. Fall is the busiest time of the year in the area of Drug Awareness. It's a time to find out when your local National Night Outs will be held and prepare with literature displays for that event. It is a great time to start searching for those deserving Enrique S. Camarena Award nominees. In addition, find those summer activities where you can place a display of Drug Awareness information where we can promote a safe and healthy drug and tobacco free lifestyle.

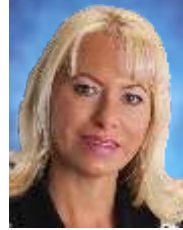

I am now looking forward to attending Drug Awareness Program training for State Chairmen the two days prior to National Convention in Atlanta, Georgia. At training, we will learn about the newest, latest, and greatest information. I can't wait to share this information with you upon my return. In addition, I will be part of the Drug Awareness Program Open-House session to be held on July 5th. Finally, there will be a National Drug Awareness Program booth at the convention center and my wife, Donna, and I will be manning the booth for a portion of the time there. If you attend convention, I hope that you are able to stop by and say hello!

In closing, remember to watch the Drug Awareness section on chea-elks.org. Most information is in the process of being updated as I write this article. The final forms to be updated will

be the guidelines for the Poster, Essay and Video contests—the new 2022-2023 Contest Theme will not be announced until Grand Lodge Convention. As soon as the theme is announced, we will update the contest forms.

Susan Good and I are looking forward to meeting you and answering any Drug Awareness questions you might have. Please do not hesitate to reach out to one of us.

Youth/Soccer Activities

Nita Ohlhauser, PDDGER • Chairman

The States of California and Hawaii continue to shine in Youth Activities! We continue to provide youth focused resources that inspire and empower young people in our communities. Thank you for making the difference in these children's lives. Sometimes that means that they are offering family nights at the Lodge, sometimes it means that they're hosting a soccer shoot. Sometimes it's as simple as handing out brochures. Elks helping Youth - It means a lot of different things. A few to mention under our beautiful umbrella; Scholarships, Soccer Shoot, Americanism Essay Contest, Dictionary Project, Antlers, and Youth Recognition. Grand Lodge provides downloadable certificates.

"Elks Teen Zone" is a MUST SEE – Maybe some Lodge activity can help promote this. <https://elksteenzone.org> If you have not seen it already, PLEASE DO!

PLEASE consider looking into something to help prevent youth suicide.

Can a bracelet save a life?? If it leads to conversation, then YES it can. You make the difference! Prevention supplies can be purchased at Oriental Trading Company.

I would like to congratulate: Mike Cash, John McEntire, Blanch Jorge and Ilene Knebel for outstanding work within the Youth/Soccer CHEA Elks Program and being recognized at CHEA Association Convention.

If you are a Lodge or District Chairman for Youth/Soccer Activities, welcome aboard! Thank you for supporting our youth. The children of today live in a much different world than we grew up in. They need us more than ever!! Every single minute you put into youth activities is investing in our future. Shine on for them!!

First, let me say Ritual is alive and well in the California-Hawaii Elks Association!

In 2020 we had no contest, in 2021 we held a very limited contest with 5 Districts participating. This year we had 13 Districts submit applications and 12 compete as one had to drop out at the last minute. I fully expect us to have a full slate for the CHEA contest in 2023! We are making an amazing comeback! Thanks to all of the competing teams for their dedication the Ritual, who studied, memorized and worked hard to win their district contests, to be able to compete here at the Association Contest.

It was an honor and a privilege to have served as the chairman of our Association's Ritual Contest Committee under President Jay Larkins.

I would like to thank CHEA Ritual Contest Vice-Chairman John Strattard. We work well together and I wish him good luck next year as I have had this year.

The CHEA Ritual Training Committee is responsible for training and certifying all of the Floor Judges, Word Judges, and Calculators for all of the CHEA Ritual Contests held each year. This committee serves a very important role here at the Association Contest as Contest Chairmen for each division. The Grillo Division the contest chairman was CHEA Ritual Training Vice Chairman Harry Magnan and for the Duitsman Division the Contest Chairman was CHEA Ritual Training Chairman Gary Mueller.

We had ten 10 Ritual Floor Judges, 9 Word Judges, and 2 Calculators who worked very hard over for the 2 days, making this Contest possible. Thank you to you all!

Santa Maria Lodge 1538 and Elks Recreation, held it's annual Rodeo with monies raised through the Queen contest and more go to support youth in the Santa Maria Valley. Mutton Busting is a big hit with the kids and the entire audiences. Kids ages 5-7 hang on and ride sheep as far as possible across the arena, prizes are awarded of course.

Stick Horse races and digging in the arena dirt are some popular fun events that get the kids involved. Sixty children between the ages of 4-5 participate in the Wrangler Stick Horse Races in the arena. The coin dig involves a lot of arena dirt.

Santa Maria Rodeo • Golden Circle of Champions

At the Rodeo on the opening evening, the Golden Circle of Champions hosts a dinner and reception to introduce the 25 children, all dealing with a form of cancer, that are sponsored this year. On Saturday, prior to the rodeo, the Cowboy-Up-Casino includes dinner, auctions and lots of casino action, all supporting these brave children. At each rodeo performance, there is a "Fill-the-Boot" passing through the stands to aid the rodeo fundraising effort for the children.
