

California-Hawaii Elks Association Elks Drug Awareness Program Enrique Camarena Award Criteria

The Elks Enrique Camarena Award has been established by the Benevolent and Protective Order of Elks to recognize and honor Law enforcement officers who have made a significant contribution in the field of drug prevention and who personify Agent Camarena's belief that one person can make a difference.

Special agent Enrique Camarena was a slain DEA Agent, murdered by the Mexican Drug Cartel, while investigating drug trafficking into the United States. He was brutally tortured and killed in 1985. His death precipitated the start of the Red Ribbon Campaign and it was started by the Camarena family and friends as a tribute to Agent Camarena. However, it also serves as a reminder to all of us about the dangers of substance abuse.
