I don't know what I would have done without this program. It gave my son an opportunity to get the help that he needed and otherwise would not have gotten. I am so appreciative of this program and I hope it continues to help others like us. Our Speech and Language Pathologist Jocelyn was amazing.

Speech and Language Pathologist Cori is amazing! She's great with my daughter. She finds interactive approaches and games that gets my daughter's focus. Simple techniques she has taught us have helped my family as a whole with assisting my daughter Nonohe's speech progress. Mahalo Cori!
