

## NEWS FROM YOUR ELKS MAJOR PROJECT . . .

We are so happy with Occupational Therapist Chrystalyn. I really feel a partnership with her. She respects our desires for our son and guides us through helping him become more successful.

We are very thankful of having this opportunity to work with Pediatric Vision Screener Juliana. Your staff is very nice and respectful. All the children at step by step Montessori were excited to participate in this screening. We look forward to seeing Juliana again next year.

Speech and Language Pathologist Hedley did a wonderful job with Max. He made amazing improvement under her care. She effectively taught Max and myself the techniques needed to improve his speech. She made sure that he was really ready to be let go from the program. She is a very compassionate and caring person that goes out of her way to get to know the child and the family. She always made learning fun. Max really enjoyed all of his sessions. Thank you so much for having an amazing program! We are so appreciative to you all.
