

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Valerie is a very professional Occupational Therapist and displays genuine concern for our son's development and actively seeks out our opinions and questions. We love the homework notes that she leaves for us. She is extremely organized!

Speech and Language Pathologist Cori is amazing! She's great with my daughter. She finds interactive approaches and games that gets my daughter's focus. Simple techniques she has taught us have helped my family as a whole with assisting my daughter, Nonohe's speech progress. Mahalo Cori!
