California-Hawaii Elks Association Secretary of the Year Recommendation. The Lodge Secretary is one of the most important Officers of your Lodge. This administrative officer must work harmoniously with the Exalted Ruler. He or she must be a dedicated Elk deeply interested in our Order and your Lodge, in addition to being especially familiar with the Laws and procedures of our Order.

Each year a Lodge Secretary is selected by our Association to be recognized as the CHEA Secretary of the Year. To aid in the selection process it is asked that each Lodge with a potential Secretary of the Year submit a summary of why their Secretary should be chosen. The Association Vice President will then select the best candidate from the district and forward that recommendation on to the President's Achievement Award Chairman.

A summary of the duties of the Lodge Secretary is listed in the "Manual for the Secretary of an Elks Lodge", available online at [Elks.org](http://Elks.org). These are the required duties of a Lodge Secretary. Many Lodge Secretaries go above and beyond the requirements of their job and that should be noted in your recommendation.

The recommendation for the CHEA Secretary of the Year must be submitted to your Association Vice President no later than February 1, 2024.

The CHEA Vice President will then determine their recommendation from their district and forward that selection on to the CHEA President's Achievement Award Chairman by March 5, 2024. The award will be presented at the 2024 Association Convention in Fresno.

Celebrate Elkdom,

*Kathy Grant*
