

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Occupational Therapist Valerie was very helpful in giving ideas and demonstrating things that helped Finn. She answered all my questions clearly and made me feel part of the therapy for Finn. She was exceptionally sensitive to Finn's individual temperament and personality. I would highly recommend her to anyone with a child who needs OT. We miss her!

Speech and Language Pathologist Hedley is amazing. She is able to grasp Kaimana's attention with ease. He enjoys her teaching style and is able to retain the information given. We are blessed to be able to receive her services. Thank you to this company and its employees.
