

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Valerie, Occupational Therapist, is absolutely incredible and has improved my son's life tremendously!

* * * * *

It is always an amazing experience working with the Elks. We appreciate your services. Pediatric Vision Screener Dina is amazing and we look forward to her screening yearly. She has been able to pick up on vision problems early on and that allows the parents to help their child sooner.

Physical Therapist, Lisa went above and beyond in every session, not only to help my child but to ensure that I as a parent understood and was comfortable. She was so kind and caring. She helped us in more ways than she will ever know. I cannot thank her enough!

Occupational Therapist Jamie is absolutely wonderful! She has been such an asset to my daughters' team! She is knowledgeable, very kind, and understanding. Thank you so much!

* * * * *

Chrystalyn is fantastic. She has developed great rapport with my son and always comes up with creative and positive ways to engage him. I could not be happier with an Occupational Therapist. Chrystalyn is the BEST!

* * * * *

Hedley, Speech and Language Pathologist, is a superb therapist! She has never been late to any appointments. I admire her professionalism and the apparent ease with which she manages my child's development path. Bravo Hedley, and many thanks to the organization behind this service.
