

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Speech and Language Pathologist Hedley has been an amazing blessing for our daughter. We cannot thank the Elks enough for providing this service to our family. Hedley has helped our daughter so much with her speech development. She has blossomed under Hedley's guidance. We are so thankful.

Chrystalyn, Occupational Therapist, is a joy and you can tell she is passionate and enjoys what she does. Every week she keeps my daughter on task which is the biggest challenge for me. She makes every activity fun, new, exciting, and it is all while teaching and helping. She is truly a God send. Chrystalyn also finds ways for us to manage her attention, listening, and other issues.

Pediatric Vision Screener Wyomi was efficient, professional, and courteous during our vision screening. The parents have always been very pleased to have the screening done. Wyomi was very polite with the staff and children, she made everything run smoothly. She's a great representative for your company!

The therapy sessions are very helpful for my daughter's speech. My daughter enjoys seeing Speech and Language Pathologist, Ms. Jocelyn and is excited every time Ms. Jocelyn visits us for therapy. The games she uses are fun and keeps my daughter's attention.
