

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Occupational Therapist Valerie is the best OT we have ever had. She was great to work with when Aiden was younger as well as now! Aiden has a somewhat unique condition and Valerie is so great to be willing to tackle his needs. We truly appreciate any time we get to work with her!

Hedley, Speech and Language Pathologist, has been an enormous help to our daughter Adeline with her speech and pronunciation issues. Her desire for assisting children with their speech, combined with her warm and positive manner, make her an exceptional teacher and speech therapist. Adeline and I always look forward to seeing Ms. Hedley because she makes her sessions meaningful while also entertaining and enjoyable. We cannot thank Ms. Hedley and the Elks enough for everything they've done to help our daughter improve her speech, confidence, and overall quality of life. Hedley, thank you so much! We are certain that you will continue to have an enormous impact on the lives of many more children by improving their speech in the same fun and effective manner as you have done with both of our daughters.
