

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Pediatric Vision Screener Dina is always a pleasure to work with! She is professional and kind to our staff and to the children. Her easy going personality helps to smooth the children's fears (if they have any). We appreciate her service to the children and our program. The screening is a help to our children and their families. Thank you!

Thank you very much Speech and Language Pathologist Jocelyn! We have noticed an improvement in Logan's communication. He is able to express himself in complete sentences. We are so blessed by your services.

Physical Therapist Lea is great with Savannah and she is full of knowledge. Although Savannah showed minimal improvement, Lea is an invaluable asset in maintaining her at her current level, avoiding regression and preventing contractures.

Occupational Therapist Chrystalyn is an amazing therapist! She is kind, patient, understanding and very much knows her stuff. Majesty loves her and so do we! She always gives suggestions and helps by showing us what to do. Majesty has come a very long way with Chrystalyn's teaching. Thank you, California-Hawaii Elks, for offering a great therapy program with a wonderful therapist.
