

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Pediatric Vision Screener Elizabeth has been a gift to your program and our school for over 20 years. She has helped many children with eye issues early in diagnosis.

Thank you for this wonderful opportunity!

Occupational Therapist Tina has made a huge impact on Matteo's developmental milestones and has helped him accomplish many of his goals. Tina takes so much pride in her job and cares for my son. She is very patient and takes her time with his sensory struggles. Matteo has autism Level 3 and as a parent I am very thankful to her and the program. WE LOVE MISS TINA!

Gabriella, Physical Therapist, has a passion for children and her work, and that passion is evident in her interactions with Adalae. She listens to my concerns and provides useful suggestions. She has also been a great advocate with the Regional Center for Adalae to get additional therapies that are needed. Gabriella has made a positive impact on her and I look forward to continuing to work with her.

Speech and Language Pathologist Jocelyn is very professional, and I think her tactics of helping with my son's speech are awesome! Not only with clarifying words, but also behavioral issues, developmental phases and learning how to help physically. I enjoy the different ways she helps my son. He is speaking so much better, and he's doing so well in kindergarten.

We really appreciate the service provided to our community by Pediatric Vision Screener Cathy. She is very professional, friendly and well-versed in both vision screening and her approach to children and staff. Cathy is a joy to work with. We serve families who are in a lot of need of support and do not have easy access to these services. We are happy to be part of your program and look forward to working with you in the future.

Emily is an absolutely incredible Occupational Therapist and has been a huge support to our son. She is professional, knowledgeable, caring, kind, and amazing at her job. We are so thankful for these services. Our son is more successful now with her help and the program. Emily is a true blessing to our family.

A coin a day so they can walk, talk, see and play!
