

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

We love working with Occupational Therapist Valerie! She has been wonderful helping Calyx, and we always look forward to our time with her!

The level of engagement Speech and Language Pathologist Hedley can achieve in each session is amazing and truly appreciated. I, my wife, and Cooper's teacher have all noticed significant improvements in Cooper's articulation and our ability to understand what he is saying. Hedley is wonderful! Caring! Charismatic!

Wyomi, Pediatric Vision Screener, is amazing and thorough. She is super organized, patient, and keeps things running. We got through our vision tests in a timely manner! She is easy to work with and efficient. It was great to screen the two-year olds this year. The second person and camera made a big difference with the size of our preschool. Thank you Wyomi!

Occupational Therapist Emily is amazing! We appreciate her ideas and strategies on how to improve Kennedy's abilities. It's a pleasure working with Emily, and we are thankful for her help!

* * * * *

Pediatric Vision Screener Tonya is very helpful; she did a fantastic job. Tonya goes above and beyond. She helped a family get glasses for one of our students. We appreciate this free service to our school.

Chrystalyn, Occupational Therapist, has been amazing at helping us deal with James' behavioral issues. James loves his talks with her. We appreciate all the advice.

A coin a day so they can walk, talk, see and play!
