

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Pediatric Vision Screener Camille takes great pride in helping our families and children. I have always been very pleased with our screening representatives! We had Gina for years and loved her. Now we have Camille and she is doing an excellent job! Thank you so much for providing this service!

After working with Hedley, Speech and Language Pathologist, Taran has made a lot of improvements in his speech. We are so grateful for these services. He is so much more confident now in speaking, and we look forward to seeing his progress in the next few months.

Occupational Therapist Emily is very professional and knowledgeable; she has many thoughtful ideas of how to guide Garrett to meet his goals and keeps me well-informed about what she did each session. She seems to understand Garrett well, and he looks forward to her visits each week.

Physical Therapist Gabriella has been such an amazing addition to our care team for Samirah. She is very professional, punctual and thorough. She is also extremely knowledgeable and attentive to our questions. She was instrumental in observing the need for us to see a neurologist and has adjusted well to Samirah's feedback and needs. We appreciate the Elks Major Project and Gabriella very much! Thank you!
